Ayrshire hospice, Fit Feb, will be returning throughout February 2016. *Emailed to all*

Fit Feb is an ideal opportunity for those who are looking to continue their quest to improving their fitness after the festive period as well as potentially motivating those who are losing interest to continue with their chosen activity and even their gym membership for example or devise their own ideas together with helping to raise vital funds for the Ayrshire hospice.

Fit Feb can happen anywhere throughout Ayrshire, in gyms, health clubs, fitness centres, swimming pools or through individual participation. Given the response the campaign received in 2015, which is still in its infancy, it is hoped it will be a fundraising campaign that will be expanded in future years: attracting new supporters and offering the potential to attract existing hospice supporters to Fit Feb.

I was wondering if it would be at all possible highlight our campaign at your next meeting? As well as a fundraising campaign it is also an incentive to attract more to get active and perhaps taking part in sports.

If this is something that you would could help us promote, please contact myself Robert Flynn on 01292 288488 or by email at robert.flynn@ayrshirehospice.org

I would like to thank you all for being part of the South Ayrshire Youth Forum Awards 2015. The Young People within the Youth Forum would also like to thank all our sponsors for all the contributions, and support leading up to the event. Without the support from staff, sponsors and of course the Youth Forum members the event would not be possible.

Please check out #SAYFawards15 – as there has been some great comments and pictures from some of our attendees.

Just a quick email to let you know that at last the final dispersal of funds from the ASMC account is done and the account will be closed soon.

We are giving £1500 to two South Ayrshire Active Schools projects and I will be getting regular updates on their progress.

1. Parkrun for primary school age and 2. Incentive schemes and projects for secondary school age girls, that is girls only!

The remaining £500 I am going to give to Sports Relief.

SALSC – email to committee and (Colin Duthie SD Bowls)

Just a reminder that Sports Councils and Clubs interesting in hosting either of the Bowls Events should contact me by 29 January. Jacqui SALSC

SALSC will be reverting back to the original format for the Over 50's Ladies and Gents Bowls Events in 2016. They will be held as separate events in separate Clubs during the Bowling season of 2016.

We are therefore circulating this invitation to your Sports Council to nominate yourselves and a member Bowling Club to host either the Ladies or Gents event in 2016.
